VII INTERNATIONAL FESTIVAL FOLKLORE, CHOIRS & ORCHESTRAS NICE, MONTE CARLO - FRANCE *"Méditerranée dance"* March 16- 19, 2018.

Festival is organized by Mediteranian Organization in cooperation with local municipalities, chambers of commerce and local folklore ensemble. The festival will be covered in media by the local and international press and television. Mayors or the deputy mayors, from the cities of festival contestants, will be honored guests of the festival at the expense of the organizer.

Nice - regarding popularity and traffic it is second largest city in France, along with the City of Paris. It is also the second largest French city on the Mediterranean coast. The City of Nice was founded about 350 years BC by the Greeks who called it Nikaia by their goddess of victory, Nike. In addition to the former Cemenelum, which nowadays forms the part of Nice called SIMI, it was the one of the most important ports in French coast. In modern times, Nice is the center of the French Riviera, known for famous English Promenade, the beautiful coast and sunny weather. The city of Monte Carlo, known as a gamblers' paradise, is located nearby, so you can enjoy mild Mediterranean climate and luxury hotels, and experience the hedonism in the best possible way.
