XIII INTERNATIONAL FESTIVAL FOLKLORE, CHOIRS AND ORCHESTRAS BUDVA, BAR - MONTENEGRO “Rhythm of Montenegro” AUGUST 25 – 29, 2023

Festival is organized by Mediteranian Organization in cooperation with local municipalities, chambers of commerce and local folklore ensemble. The festival will be covered in media by the local and international press and television. Mayors or the deputy mayors, from the cities of festival contestants, will be honored guests of the festival at the expense of the organizer.

Budva is considered one of the oldest settlements on the Adriatic coast. The touristic content of this city is enriched by traditional manifestations of culture, entertainment and science. A special story is the night life by which Budva is also known. Its streets and squares live deep into the night, and if you indulge in Budva's evening and go with the rhythm that your heart dictates, you will surely have a great party.

Bar is very popular among tourists who come to Montenegro. It is a modern city, drowned in tropical vegetation, the coast is surrounded by cypress and coniferous trees. There is a large number of clothing stores in Bar. Since the city is connected to Italy (Bari) by sea, in Bar you can find stores of popular Italian designers at an attractive price.
